Technical Regulations

AUSCYCLING

These Technical Regulations have been developed to ensure the safety of all participants and to encourage fair competition. AusCycling Regulations marked with an (A) may be modified by the event organiser in conjunction with the PCP.

Where any ambiguity or lack of a clear ruling exists the UCI regulations will take precedence.

SECTION 1

General

1.00 Eligibility

1.00.01 All participants in cycling events shall hold the designated required current AusCycling membership. First-time membership applicants may be required to provide proof of date of birth. All members shall produce proof of membership when asked to do so.

1.00.02 To compete in Elite, Under 23, Junior (Under 19) and Para-Cyclist National Championships an International licence is required.

1.01 Categories

1.01.01 The recognised AusCycling Championship categories can be found in Annexure 5. In the case of non-championship events, organisers may set categories that are allowable within each of the discipline specific regulations.

1.02 Competitors, Their Uniforms, Apparel

1.02.01 Competitors, their uniforms and other clothing shall be neat and clean, at least at the beginning of an event or race. Helmets, shoes or clothes that are worn, discoloured or in a state of disrepair shall not be permitted.

1.02.02 Jerseys shall always cover the shoulders while riding (except for BMX Freestyle, MTB Freestyle or Esports).

1.02.03 It is forbidden to wear non-essential items of clothing or items designed to influence the performances of a rider such as reducing air resistance or modifying the body of the rider (compression, stretching, support). Items of clothing or equipment may be considered essential when required by specific discipline regulations, or when weather conditions make them appropriate for the safety or the health of the rider.

1.02.04 In these cases, the nature and texture of the clothing or equipment must be clearly and solely justified by the need to protect the rider from injury or bad weather conditions.

1.02.05 The use of overshoes and socks must be compliant with the UCI Regulation.

1.02.06 No clothing of an offensive nature or carrying offensive or disallowed advertising (tobacco, spirits, pornography etc.) or any other products that might damage the image or reputation of AusCycling or bring the sport of cycling into disrepute is permitted.

Note: Rules relating to advertising on competitors' uniforms, in international events inside and outside of Australia are different. The above rules are regarded as domestic rules and do not apply overseas or to UCI registered events.

1.03 Equipment

1.03.01 Refer – UCI General Regulations, Part 1, Ch III: Equipment

1.03.02 All bicycles ridden in competition shall comply with the UCI Bicycle Regulations unless special circumstances are granted by AusCycling. **See Annexure 2 for such special circumstances.**

1.03.03 Before official practice, before the start of, or during any competition or event, the rider's bicycle, helmet and clothing may be subject to inspection by Officials to ascertain whether or not this equipment conforms to these rules. AusCycling makes no representation and/or statement of opinion as to the worthiness of any bicycle, clothing, safety equipment or other gear, which may be examined during this inspection.

1.03.04 Any rider, whose equipment is unsafe in the opinion of the Officials, whether or not it fails to comply with a specific provision of these rules, shall not be permitted to participate in training, warm up or competition.

1.03.05 AusCycling shall not be liable for any consequences deriving from the choice of the equipment used by a member, nor for any defects it may have or its non-compliance.

1.03.06 The use of digital music players, reading devices, helmets or sunglasses fitted with portable music players and any other type of entertainment devices including mobile phones and wireless transmitters shall be strictly forbidden during training, competition and warm-up periods while on the field of play.

The use of a transmitting device between Broadcast and 2 specified Elite riders (excludes U23) may be allowed in ProVelo Super League events under the following conditions:

- not during 1km before any sprint or KOM/QOM point
- not during last 10km
- not during feed zone
- Race Director, Broadcast & PCP to agree when it is safe to do so

1.03.07 All riders are required to wear a helmet fitted correctly meeting AS/NZS 2063 or equivalent. Helmets must have a manufacturer's mark stating its compliance with the Standard. Helmets may be inspected at any time by a Commissaire. If helmets are damaged, then the concussion policy needs to be implemented.

1.03.08 The following are also accepted as an international equivalent to the Australian/New Zealand Standard 2063:

- ANSI Z90.4
- Snell "B" or "N" series
- ASTM F1447

- Canadian CAN/CSAD113.2M
- U.S. CPSC standard for bicycle helmets
- European CEN standard for bicycle helmets (EN1078)

1.03.09 Other international standards may be added from time to time; however, if not explicitly listed above or in any supplementary regulations the helmet is not permitted for use.

1.03.10 For BMX racing, full-face helmets with a fixed non-detachable mouthpiece are mandatory at all AusCycling sanctioned events.

1.03.11 Refer to 'AusCycling Technical Regulations - Mountain Bike, Annexure A – Helmets' regarding additional specific Mountain Bike requirements.

1.04 Cameras

1.04.01 Cameras are permitted to be used under the following conditions:

1. Use must also be approved by the race organiser and President of the Commissaire Panel ('PCP') prior to the start of the event.
2. The camera must be presented to the PCP, and they must approve the positioning and mounting before the start of the race.
3. For Road, Track, Gravel & CX the camera must be mounted either under the handlebars or under the seat. It cannot be mounted on the body, helmet or on top of the handlebars. In MTB the camera can be mounted on an MTB helmet using an approved mount.
4. All footage must be made available to AusCycling and the event organiser within 48 hours of an in-writing request.
5. Any footage that may bring the sport into disrepute must not be released to the public.
6. Breaches of the policy may be subject to a penalty.

1.05 Officials

1.05.01 All events must utilise AusCycling or UCI accredited officials.

1.05.02 When acting as a Commissaire at any level the appointee must follow the following dress requirements:

1.05.03 Club and Interclub Events

- All Commissaires must either wear an AusCycling ~~or legacy organisation~~ shirt or one provided by the event organiser.
- Pants / Skirt or shorts
- Shoes which cover the toes

1.05.04 State/Territory, National and International Events

- AusCycling appointed Commissaires must wear the approved AC shirt

- Track and Road only (except for moto Commissaires): black or dark coloured pants, (shorts at State / Territory) or skirt
- Mountain Bike, BMX: shorts, pants or skirt
- Shoes which cover the toes

SECTION 2

Australian and State/Territory Championships

2.00 Status of Australian Championships

2.00.01 All Australian Championships shall be organised as either Domestic or Open Championships.

2.00.02 Domestic Championships are Championships where only AusCycling members, who meet regulation 2.01.03 can compete.

2.00.03 Open Championships are Championships that allow cyclists registered with AusCycling or another UCI recognised National Federation, provided they have a current UCI International licence and who meet with regulation 2.01.04.

2.00.04 AusCycling may, from time to time, declare a National Championship as an Open Championship. Open Championships shall allow non-Australian riders to compete.

All placegetters in Australian Championships, regardless of nationality, shall receive medals and prize money according to their finishing position. In addition, medals shall be awarded to the top three Australian finishers in each event. Riders will be awarded one medal based on their top placing. The highest-placed Australian citizen or team (comprising only Australian citizens) shall be acknowledged as the Australian Champion and presented with the National Champions jersey, where applicable.

2.01 Eligibility of Australian Championship Competitors

2.01.01 When an Australian Championship is declared as a “Domestic Championship” only Australians shall be eligible to compete.

2.01.02 Entrants in a UCI registered Domestic Championship must be:

1. Australian citizens and registered with the UCI as Australian.

2.01.03 Entrants in non-UCI registered Domestic Championships must be:

1. Australian citizens who are a current AusCycling racing member or hold a licence of another UCI affiliated nation with an ‘AUS’ international designation; or
2. Non-Australian citizens under the age of 18 who have resided in Australia since 1 January of the year of competition and hold a valid AusCycling Racing Membership.

3. All competitors, when representing a State or Territory, in an Australian Championships must be affiliated with the state or territory they represent for a period of at least two (2) months prior to the start of the first day of the Championships unless exempted by AusCycling based on exceptional circumstances.

2.01.04 International competitors wishing to compete in an Open Championships must have:

1. An international licence issued by a National Federation recognised by the UCI.
2. Permission from AusCycling to compete.

Note: International competitors cannot be considered for national team selection.

2.01.05 A U23 rider may elect to race in the elite category however they must do so in all events. From this time the rider will no longer be eligible to race as a U23 at a National Championships.

2.02 Status of State and Territory Championships

2.02.01 All State or Territory Championships shall be organised as either a Closed or Open Championships unless otherwise declared.

2.02.02 Closed Championships are Championships where only AusCycling members who live in that state or territory can compete.

2.02.03 Open Championships are Championships that allow cyclists registered with AusCycling (regardless of state or territory of residence) or another UCI National Federation provided they have a current UCI International licence.

2.02.04 Medals shall be awarded to all placegetters regardless of their state or territory of origin. Medals shall be awarded to the top three finishers who are affiliated with clubs from the host state or territory. Riders will only be awarded one medal based on their top placing. The highest-placed rider affiliated with a club from the host state or territory shall be acknowledged as the State/Territory Champion and presented with the relevant jersey, where applicable. The allocation of plates, for BMX Racing, will be determined on a state-by-state basis.

2.03 Eligibility of State or Territory Championship Competitors

2.03.01 All eligible riders holding an AusCycling Race Membership or UCI licence may enter any State or Territory Championship events.

2.03.02 A rider is only to be acknowledged as eligible for the title of State/Territory Champion in one state/territory based on their Primary Club Allocation (based on the State/Territory to which the Primary Club is allocated). Riders must be part of that club for at least 2 months prior to the Championships to be eligible for recognition as State/Territory Champion.

2.03.03 A border club can be defined as a club that is within 50 kilometres of another State or Territory border. In the case of the ACT only clubs registered as ACT will be defined as ACT clubs. Border clubs can select the State or Territory they may

nominate to participate in the State/Territory Championships, State/Territory Series and for State/Territory Representative Teams; all of which must be consistent.

2.03.04 Border clubs may change their recognition annually at the time of affiliation.

2.03.05 Annexure 6 contains a listing of recognised border clubs.

2.04 Confirmation of Starters

2.04.01 The confirmation of starters is the final process of registration for each event. The location of the confirmation of starters shall be the responsibility of the organiser and shall be outfitted with the necessary furniture. The event organiser shall also provide a meeting room/s for the Commissaire Panel and Team Managers, suitably outfitted with the necessary furniture.

2.04.02 In the case of an Australian Track Championships, all team clothing which is being worn must be presented at the confirmation of starters.

2.05 Team Managers' Meeting (for Nominated Events)

2.05.01 Before the commencement of nominated events, a managers' meeting will be held at which the PCP, members of the Commissaire Panel (if official duties allow), Technical Delegate (if appointed), ~~Doping Control Officer (if present),~~ event organiser, team managers and all individuals with a function at the event shall attend.

2.05.02 The Race Director shall chair the meeting.

2.05.03 The meeting shall review the Championship program, describe any aspects at variance with or in addition to the Technical Guide, confirm the make-up of the Commissaire Panel, present additional information, depending upon the competition discipline and discuss any matters relating to the conduct of the event.

2.06 Nominations

2.06.01 For Championships where state/territory teams are required to nominate participants, the proper names of all competitors for a Championship, their events and order of selection for those events must be submitted on the approved form and be received by AusCycling no later than 7 days prior to the commencement of the Championships.

2.06.02 Only those representatives, including reserves, who are nominated as competitors, shall be allowed to compete.

2.06.03 Final nominations for each discipline shall close at 12 noon (or at such time as agreed to at the Team Managers' Meeting) the day prior to the first session of that discipline.

2.06.04 A state/territory team may replace a rider selected for an event by another rider, providing such alteration is notified to the President of the Commissaire Panel at the nominated time.

2.07 Invited Riders

2.07.01 AusCycling, at its discretion, may invite competitors from Australia or overseas to compete in any Australian Championship.

2.08 Entry Fees

2.08.01 All entry fees for National and State/Territory events shall be approved by AusCycling.

2.09 Championship Presentation Ceremonies

2.09.01 All presentation ceremonies shall take place as soon as practical after the completion of a Championship event.

2.09.02 Any competitor who fails to report at the established time for the presentation ceremony, or who delays the ceremony, shall be penalised.

2.09.03 The Clerk of the Course, Technical Delegate or appointed official shall be responsible for ensuring that the placegetters are ready for the presentation ceremony and are properly attired in their competition gear. The Clerk of the Course, Technical Delegate or appointed official shall liaise with the Judge or appropriately appointed official and President of the Panel with regards to the result of each final.

2.09.04 The appointed Protocol Officer shall be responsible for the smooth running of the presentation ceremony.

2.09.05 The duties of the Protocol Officer shall include but not be limited to:

1. Coordinate the attendance of the official presenters at the correct time and place.
2. Liaising with the appropriately appointed official with regards to the placegetters.
3. Liaising with the person in charge of nation recognition to ensure anthem playing and flag raising (if flag raising is carried out) are carried out correctly.
4. Ensuring that the march on of the medallists and the presenters is coordinated.

2.09.06 All medal presenters at a Championship shall be approved by AusCycling.

2.09.07 The Presenters shall, if practicable, be accompanied at a presentation ceremony by an officer of AusCycling.

2.09.08 The presentation ceremony shall include the following persons who shall proceed to the victory podium in the order as listed.

1. The three placegetters, with the winner of the event in the middle position, second place on the left and third place on the right when looking at the podium.
2. The Medal Attendants who shall carry the medals

2.09.09 Riders should present for podiums in their race kit, hats and sunglasses (when outside) may be worn but must be removed for photographs at the request of event officials.

2.09.10 Riders may bring one item of personal sponsor material onto the podium. This may include items such as drink containers, helmets, goggles and flags. These items must be removed from the podium for photographs at the request of event officials.

2.09.11 Modifications to the above rules may be made by the President of the Commissaire Panel (PCP) on a per- event basis.

2.10 Championship Medals and Trophies

2.10.01 Awards will be presented in all timed events no matter the number of competitors.

2.10.02 In team events, all members of the team who have ridden will receive medals should the team gain a place in the finals and all team members are permitted to receive their medals and jerseys.

2.10.03 In the case where there is a combined Elite and Under 23 event medals and jerseys shall be awarded to competitors for both their Under 23 and Elite placing.

2.11 National, State and Territory Champion Jersey

2.11.01 Jerseys may be awarded to the winner of championship events nominated by AusCycling.

2.11.02 Refer to the National Championships Jersey Policy for the design requirements

2.11.03 Wearing of Jerseys: National/State and Territory Champions Jerseys

1. Winners may wear their Australian Champion & State/Territory Jersey in all events in the discipline specialty and category in which they won their title and no other event up until the day before the Championship event of the following year.
2. For Masters Championships they may wear the jersey in all recognised Masters category events only for the discipline in which the jersey was awarded.
3. When a rider no longer holds the title of Australian Champion the rider may wear National Champion bands on the collar and cuffs of their jersey. A rider may wear a jersey with National Champion bands only in the events of the discipline, specialty and category in which they won the title and no other event. Masters may wear a jersey with Australian Champion bands in all master's competitions of that discipline on an ongoing basis.
4. In Madison track races if one of the teammates is not the National Champion, then both riders shall wear the same team jersey. In a six-day

event, only Madison national champions are permitted to wear the National Champions jersey even if they are not paired together.

2.11.04 National Series Jerseys (Where issued):

1. National Series Winners Jersey: Riders may wear this jersey in the discipline events in the year they win this jersey however if the same person has won a higher classed jersey that shall take precedence.
2. National Series Leader Jersey: This jersey is only to be worn when any series leader is competing in a current year of that series.

2.11.05 The order of priority for wearing Championship and Series jerseys is as follows (in descending order):

- UCI World Champion Jersey
- UCI World Cup/World Tour/Nations Cup Jersey
- Continental Champion
- AusCycling National Championship Jersey
- AusCycling National Series Winner Jersey
- AusCycling National Series Leader Jersey

2.12 Equity in Relation to Prizing

2.12.01 All events must have equal prizing for male and female categories.

SECTION 3

Disciplinary & Appeals

3.00 Disciplinary Matters in Competition

3.00.01 In competition, a Commissaire may issue a penalty to a member for an offence against these Technical Regulations.

3.00.02 Where the PCP become aware of an offence against these Technical Regulations, up to 7 days after the event, after the event they issue a penalty in line with the discipline penalties.

3.00.03 As a result of a breach of the Technical Regulations a penalty or penalties may be imposed upon members found guilty.

3.00.04 Each case shall be determined on its merit and circumstances and penalties shall be imposed considering the degree of intent or malice or any extenuating circumstances associated with the act of misconduct or breach of the Technical Regulations.

3.00.05 If the PCP believes an offence that breaches the National Sport Tribunal Conduct and Disciplinary Policy has occurred this shall be reported to AusCycling for investigation and consideration of penalties in accordance with AusCycling policies. The PCP may remove a rider immediately from a race, series of events or stage race should they consider that a serious breach of the National Sports Tribunal Conduct and Disciplinary Policy has occurred.

3.00.06 If the PCP believes an offence that breaches the Complaints Dispute and Discipline Policy has occurred this shall be reported to AusCycling for investigation and consideration of penalties in accordance with AusCycling policies. The PCP may remove a rider immediately from a race, series of events or stage race should they consider that a serious breach of an AusCycling Policy has occurred.

3.00.07 The AusCycling penalty form will be used by the PCP for all penalties.

3.01 Appeals

3.01.01 Note: The BMX Racing Appeals Process can be found in AusCycling Technical Regulations – BMX Racing.

3.01.02 Where Team Management or the individual (in the case of non-team events) would like to query the decision, they must first approach the PCP concerning any incident in an event.

3.01.03 An appeal against a decision of a member of the Commissaire Panel may only occur in the case where an in-competition penalty of a fine (imposed by the PCP or Commissaire Panel) exceeded $250. Decisions to Warn, Relegate, or Disqualify are not appealable. Appeals may be considered outside of the event

by AusCycling where there are alleged breaches of the Code of Conduct, National Integrity Framework or other relevant policies.

3.01.04 At UCI listed events, the President of the Commissaire Panel (PCP) decision is final and not appealable.

3.01.05 The appeal must be in writing within 60 minutes of the results being confirmed (unless the PCP provides the appellant additional time) and accompanied by the Appeal Fee of $50. A decision on the appeal must be made in advance of the next round of racing where the result is necessary for the continuation of competition.

3.01.06 The Appeals Jury shall consist of three independent members appointed by AusCycling. Any member of the Appeals Jury with a conflict of interest must excuse themselves for the purposes of considering a disciplinary matter.

3.01.07 The Appeals Jury shall hear all appeals against the decision of the Commissaire Panel.

3.01.08 The Appeals Jury shall have the power with respect to the Appeal before it to:

1. Uphold the Appeal; or
2. Dismiss the Appeal; or
3. Confirm the decision appealed against and confirm the penalty imposed (refer to the Penalty Tables of each discipline for penalty guidelines); or
4. Confirm the decision appealed against or alter the penalty imposed by substituting additional fines, or penalties or by increasing or reducing any fine.

3.01.09 Any lesser penalty than those described in the Penalty Tables of each discipline is not subject to any further appeal process over and above the Commissaire Panel determination.

3.01.10 Any appeal that is upheld as a result of an Appeals Jury finding will have all fees returned.

3.02 Penalties

3.02.01 Monetary Fines

1. A fine may be imposed to a maximum amount outlined in the annexure 3
2. The payment of fines shall be made within 7 days of the conclusion of the competition where the fine was issued. In the case where a fine is appealed, any fine will be paid within 7 days of the determination of the Appeals Jury.
3. Any member who fails to pay a fine or penalty by the stipulated date will have their membership suspended until the fine is paid.

3.02.02 Suspension or Termination of Membership of AusCycling

1. A suspension may be imposed to a maximum outlined in the annexure 3
2. The start of a period of suspension of membership shall commence from the date of the decision unless otherwise stipulated.
3. During the period of suspension, all membership rights are forfeited, and the person concerned is not permitted to enter the field of play of a competition during competition periods.
4. The period of suspension of membership must expire before the person concerned is permitted to compete or officiate again at any level.
5. If a further act of misconduct is alleged to have been committed during a period of suspension of membership, the period of termination may be extended until the new allegations are dealt with in accord with the AusCycling disciplinary policies.
6. In the case of termination of membership that individual shall not be permitted to take out a membership at any time in the future.

3.02.03 Verbal Warning: An official warning shall be noted on all results in which the rider concerned is listed.

3.02.04 In case an official warning is given, any further misconduct by the rider concerned within the same event shall result in disqualification.

- Relegation of position (by one or more positions).
- Time or points penalty.
- Disqualification.

3.02.05 The PCP shall make an official report to AusCycling following the competition concerning the circumstances of each official warning, disqualification or refusal of start.

Annexure 1: Commissaire Code of Conduct

4.00.01 As members of AusCycling, all officials and Commissaires agree to and are bound by the AusCycling Code of Conduct.

4.00.02 In addition, AusCycling expects officials and Commissaires to undertake:

1. Provide a safe environment for members, take responsibility for the safety and welfare of all participants, and ensure appropriate supervision.
2. Ensure safe and proper equipment is used.
3. Ensure correct application of Technical Regulations.
4. Wear the approved AusCycling uniform.
5. Be impartial, courteous and open to discussion in all matters for which you are responsible.
6. Avoid any situation which may lead to a conflict of interest in your duties.
7. Ensure all decisions, briefings and safety concerns are adequately communicated to all members involved.
8. Ensure all decisions and outcomes are transmitted to AusCycling, keep written records where required, and.
9. Seek continuous self-improvement.

Annexure 2: Equipment Regulations

Unless otherwise noted Part 1 of the UCI regulations Chapter III: Equipment shall be observed. The following will be exempt:

Regulation 1.3.108 – Wheel rim depth

- Maximum rim height: Must not exceed 65mm

Regulation 1.3.022 – Handlebars Road

- Minimum handlebar width (road and cyclo-cross): 400mm (outside to outside)
- Minimum internal width between brake lever extremities: 280mm

Annexure 3: Guidelines for Imposing Penalties and Competition

6.00.01 Definitions for All disciplines and categories :

- F Fine: A monetary penalty within the guidelines of the Penalties in Competition depending on the severity of the incident
- D Disqualification: Disqualification may take the form of a rider being forbidden to take the start, elimination from a race or a decision taken after the conclusion of the event.
- R Relegation: Relegation in a heat, a final or an event.
- W Warning: A warning is a statement that serves as a caution of breach of the regulations.

6.00.02 See individual Discipline Regulations for all race penalties

6.00.03 The penalties levels should be applied for any elite or National level event and considered maximum penalty levels. At Junior or State/Territory level events the maximum financial penalty should be 30% of those listed in the Penalty Tables of each discipline.

Annexure 4: Commissaire Panel

7.00.01 The proceedings at cycling races shall be supervised by a Commissaire Panel.

7.00.02 The organisers shall ensure that the Commissaires work in optimum conditions.

7.00.03 The number and status of the Commissaires to be appointed to each event should be as per the chart below.

7.00.04 From time-to-time AusCycling may differ the number based on the needs of the event.

7.00.05 For all other UCI events, refer to 'Part 1 General Organisation of Cycling as a Sport'

* International Commissaire appointed by AusCycling
# National Commissaire appointed by AusCycling
** Additional Commissaires dependant on number of participants and course nature
*** 2 for XC/DH events
L1/2 – Level 1 or 2 Commissaire

Annexure 5: Age Classification and Event Categories

8.00.01 Competitor's age is defined as at the end of 31 December of the competition year.

8.00.02 Removed

8.00.03 For Track and criterium competition the year begins on 1 October.

8.00.04 For all other disciplines the year begins on 1 January.

8.00.05 Note i: Second year U17 riders are permitted to compete in J19 road race events from 1 October

8.00.06 Note ii: Events classified below State/Territory level may modify categories to meet the requirements and size of the event at the discretion of the event organiser. These changes must also align with the AusCycling Junior/Riding Up Policy.

8.00.07 The tables below the recognised age categories.

MTB (XC, DH), CX, Gravel, Road, Track, Esports			BMX Racing
