THE CLIFF HAZELL MEMORIAL WHEELRACE

Cliff Hazell was a dedicated, committed clubman of the Dubbo Cycle Club for 24 Years until his passing in 2000.

Cliff became involved with the club when his two sons Stephen and Phillip began racing, and filled many club positions over this time including, President, Vice President, Treasurer, Public Officer and Assistant Secretary to his wife Margaret who still remains a large part of the club to this day.

Cliff was not only involved in the general business of the club but was also the 'Handyman' , He gave his time to the club unselfishly ensuring those little jobs that are vital to the day to day running of the club such as sweeping the track, making signs, building things including the current Presentation Dias , Lap Counter and Judges Stand.

Cliff was also the man behind the amalgamation of the Amateur and Professional Cycle Clubs in Dubbo, as well as the incorporation of the club which was one of the first clubs in NSW to do so and was instrumental in ensuring the clubs financial success after many difficult years which almost saw the club becoming bankrupt, which is a tribute to Cliff's acumen and professionalism which set the club on the path to the continued success it still enjoys today.

This year marks the 25th running of the Cliff Hazell Memorial Wheelrace, which is the clubs tribute to Cliff and his family's support of the Dubbo Cycle Club for over 50 Years.
