Medals and Awards Guide

AUSCYCLING

National Championships

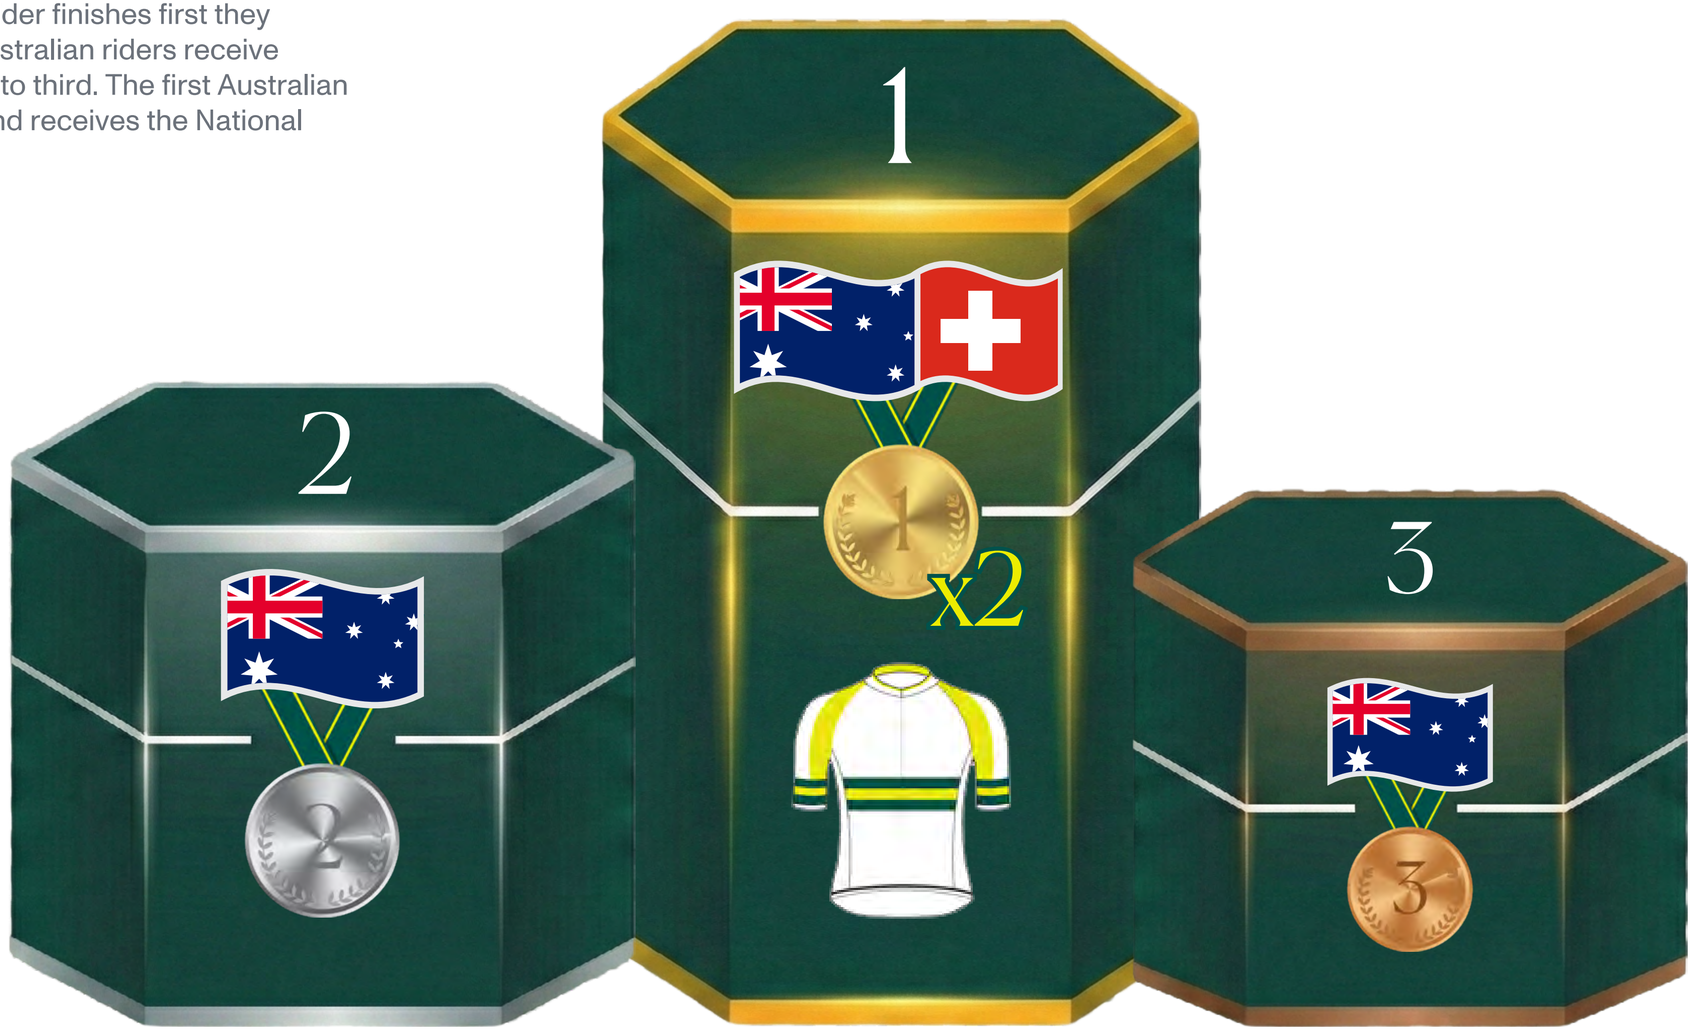

All Australian

National Championships

International Visitor First Placed

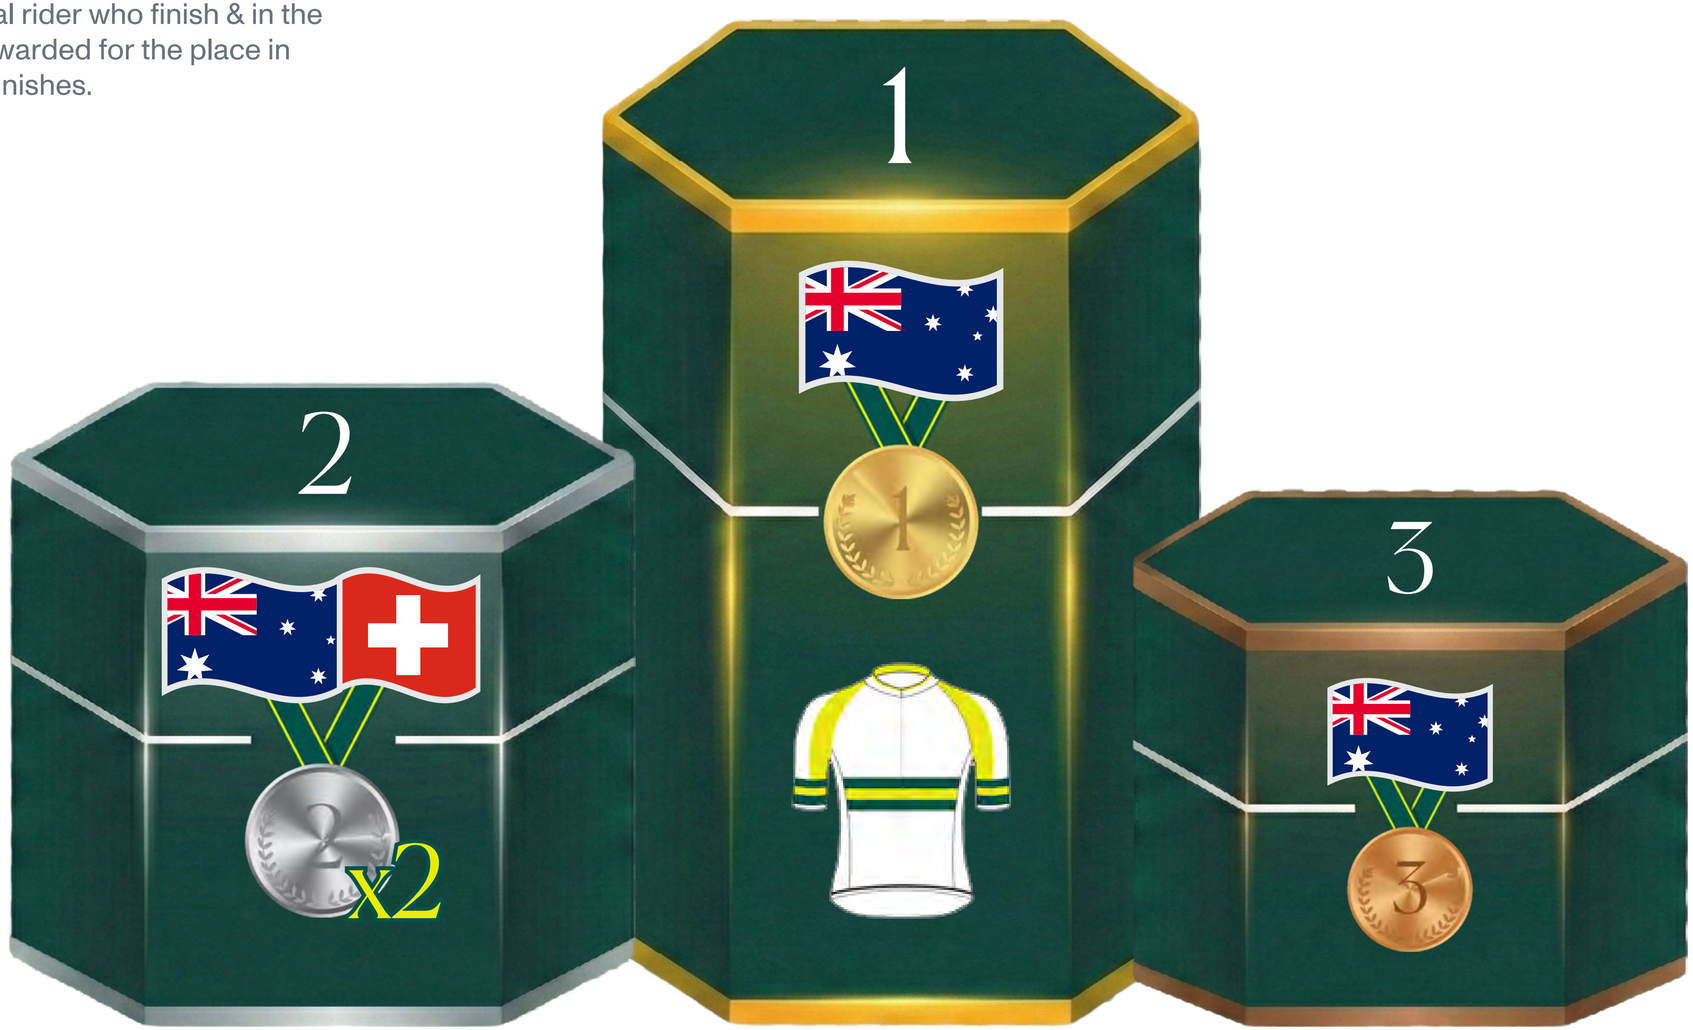

In the case the International rider finishes first they receive a gold medal. The Australian riders receive medals in the order from first to third. The first Australian is the Australian Champion and receives the National Champion Jersey.

National Championships

International Visitor Placed

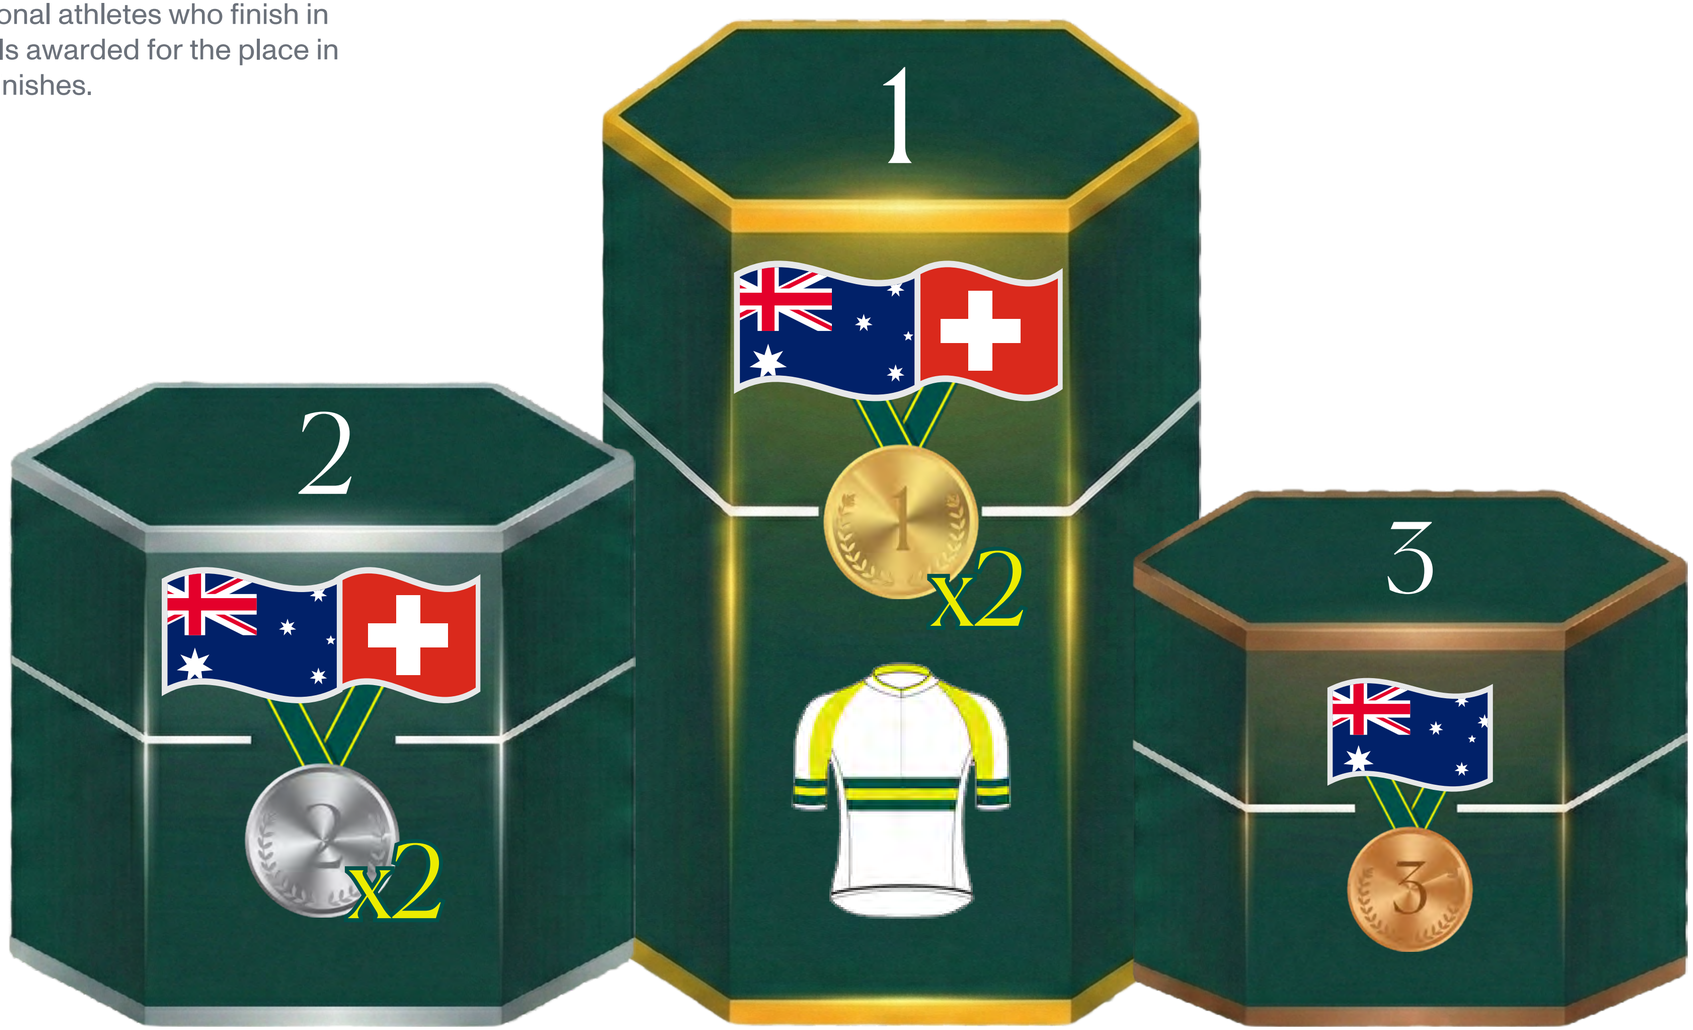

Where there is an international rider who finish & in the top 3, there are two medals awarded for the place in which the international rider finishes.

National Championships

International Visitors 2 places

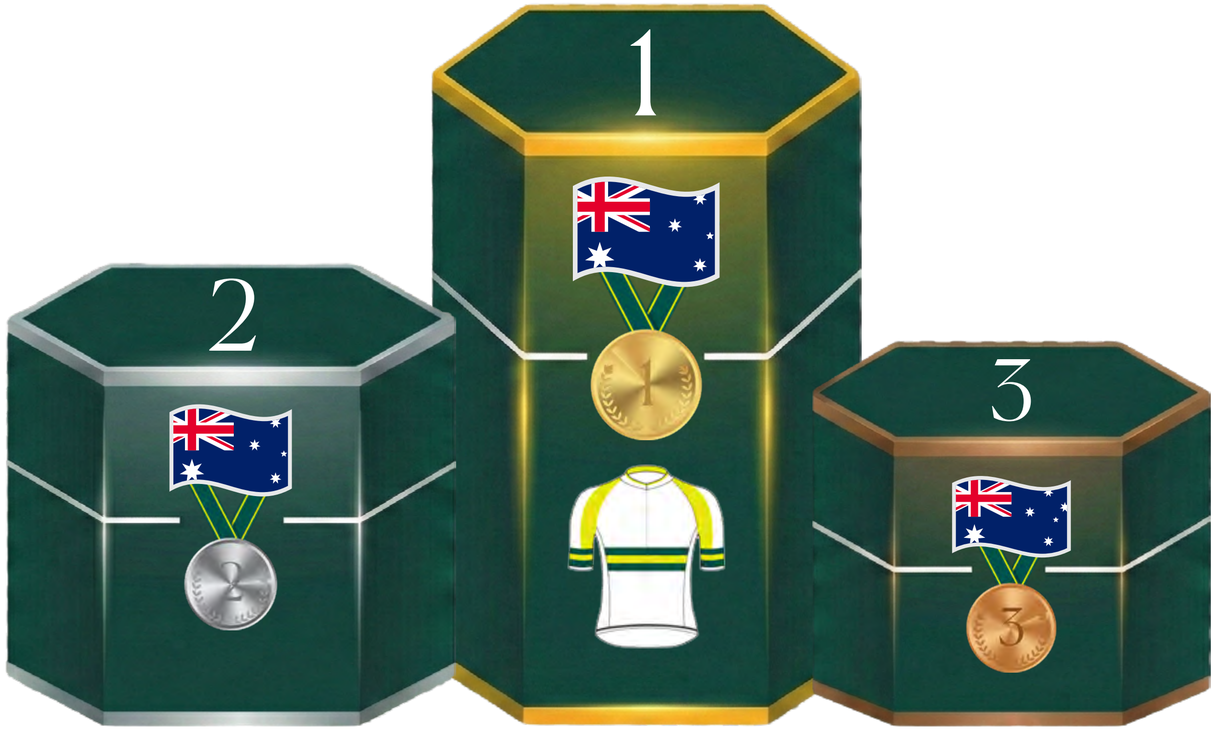

Where there are two international athletes who finish in the top 3, there are two medals awarded for the place in which the international rider finishes.

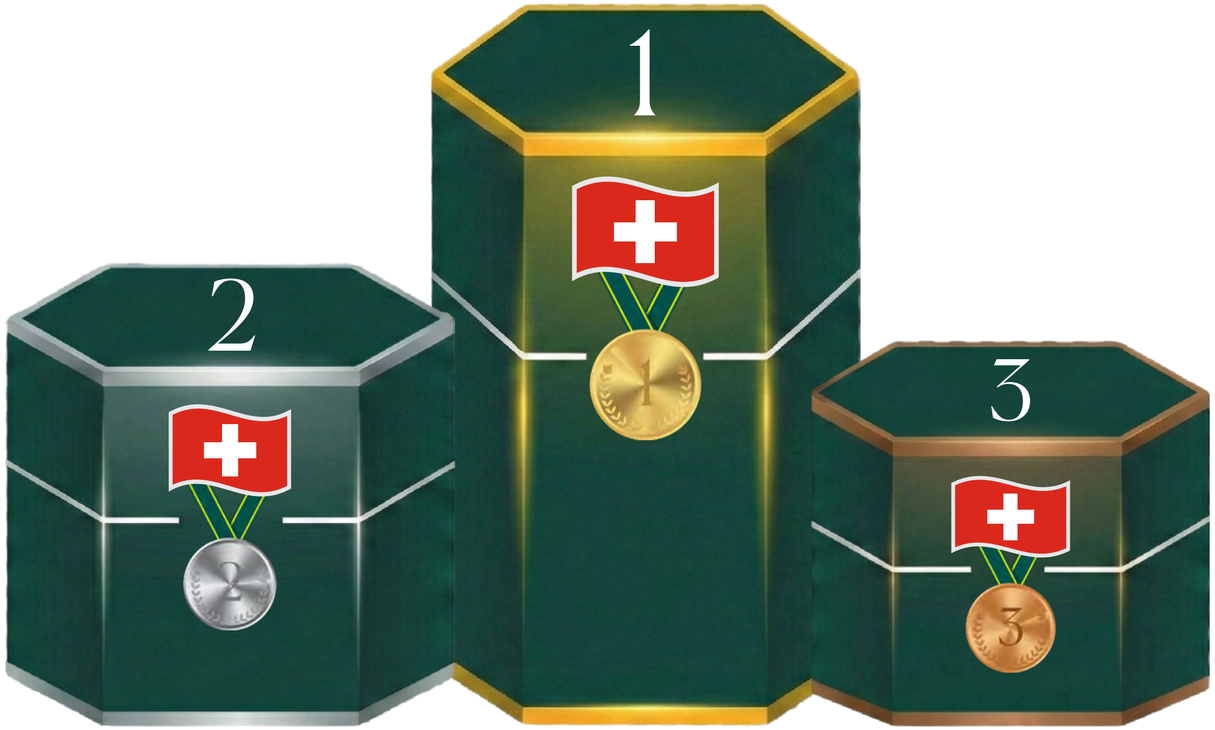

National Championships

In the case where international riders place first, second and third, all riders will receive medals in order of finishing; first three international/interstate and first three from Australia. The Australian Champions will be the first Australian rider will receive the National Champion jersey.

International Visitors 3 or More Places

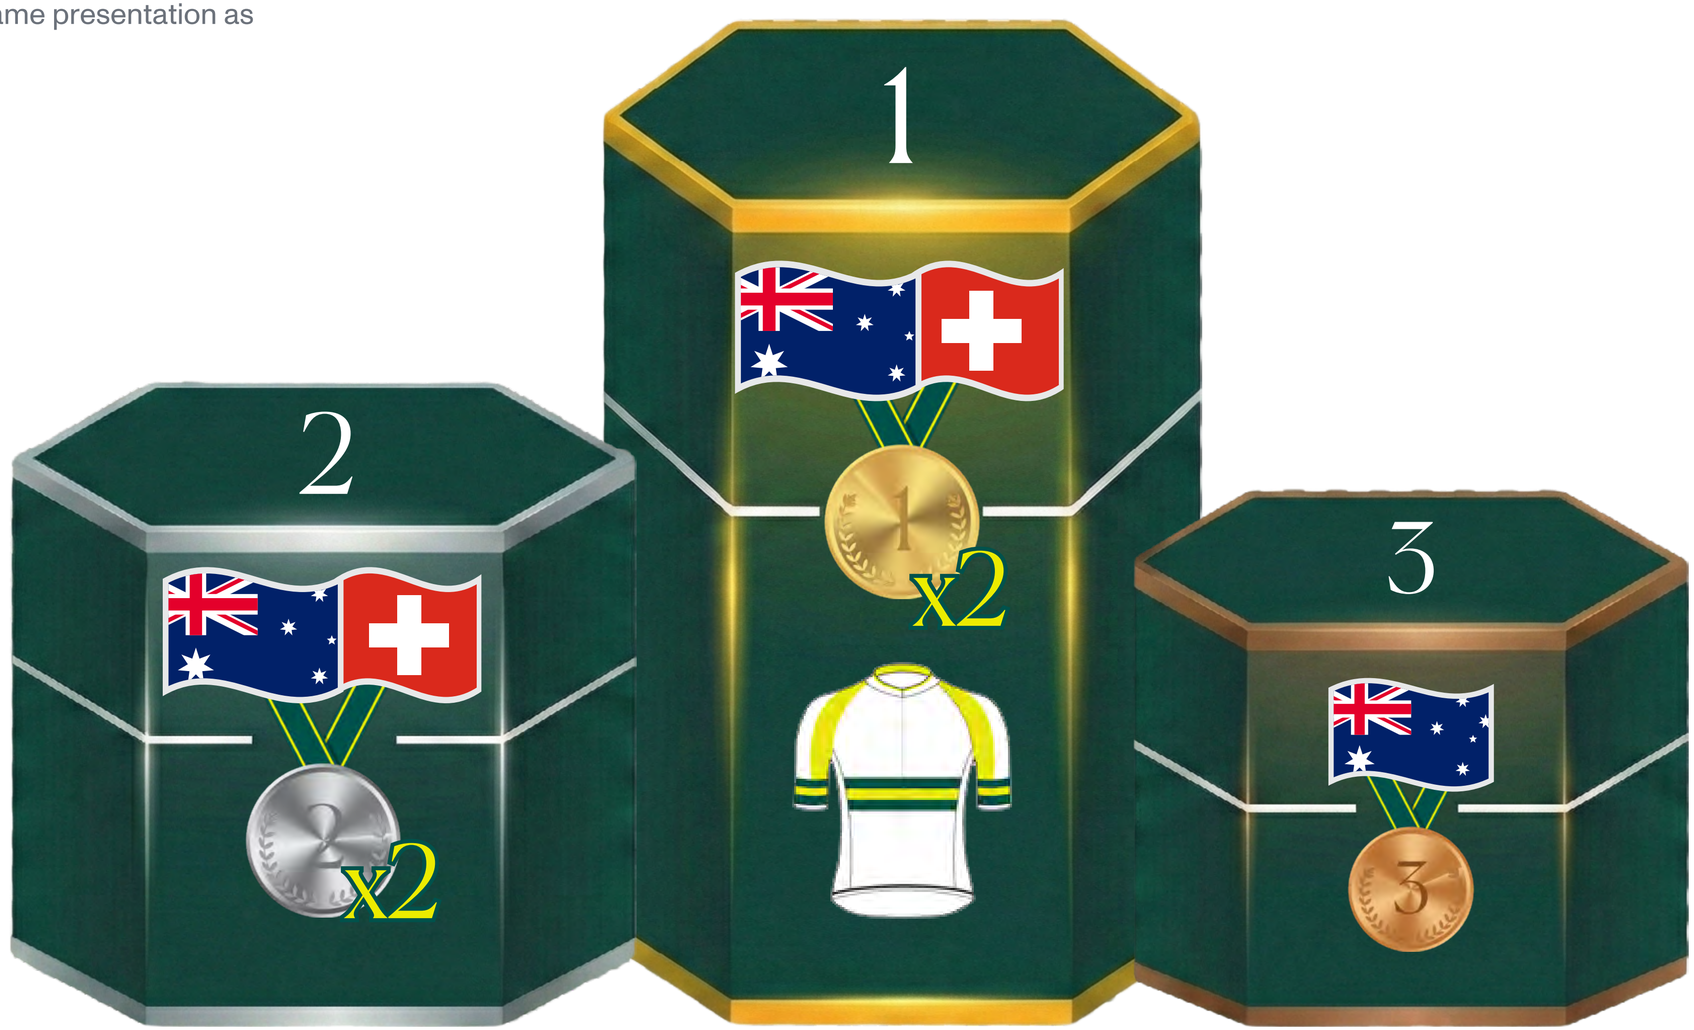

National Championships

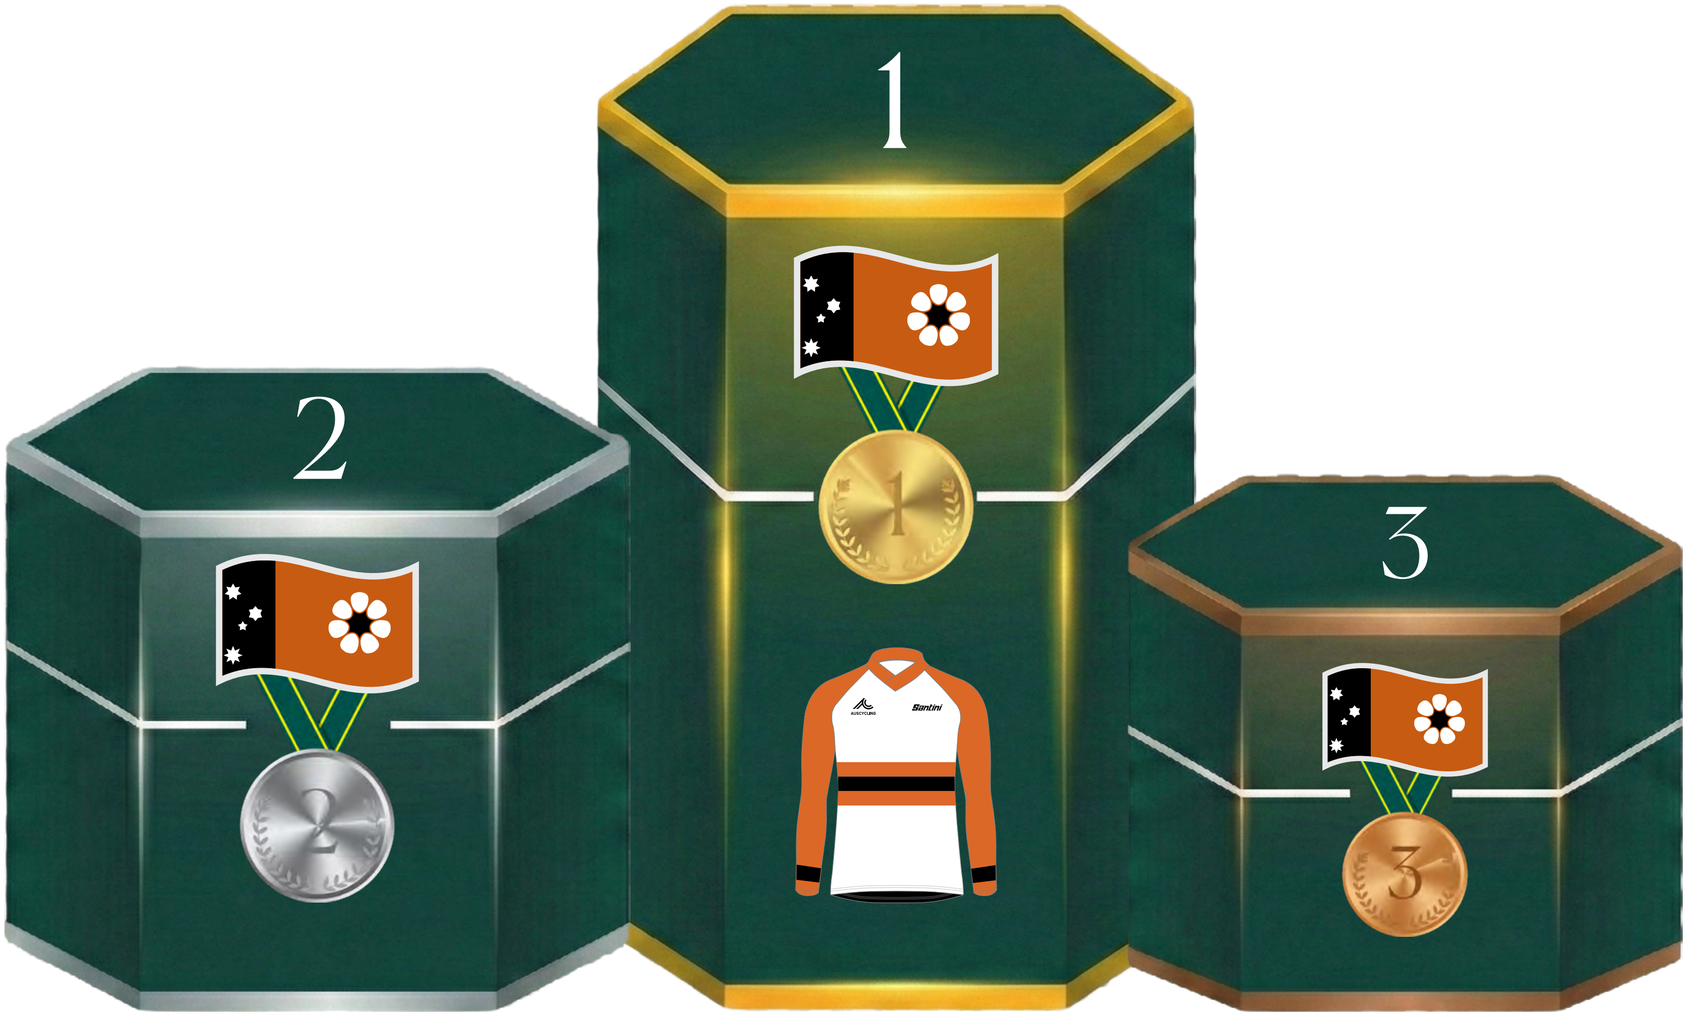

Team events will follow the same presentation as individual events.

Team Events

State and Territory Championships

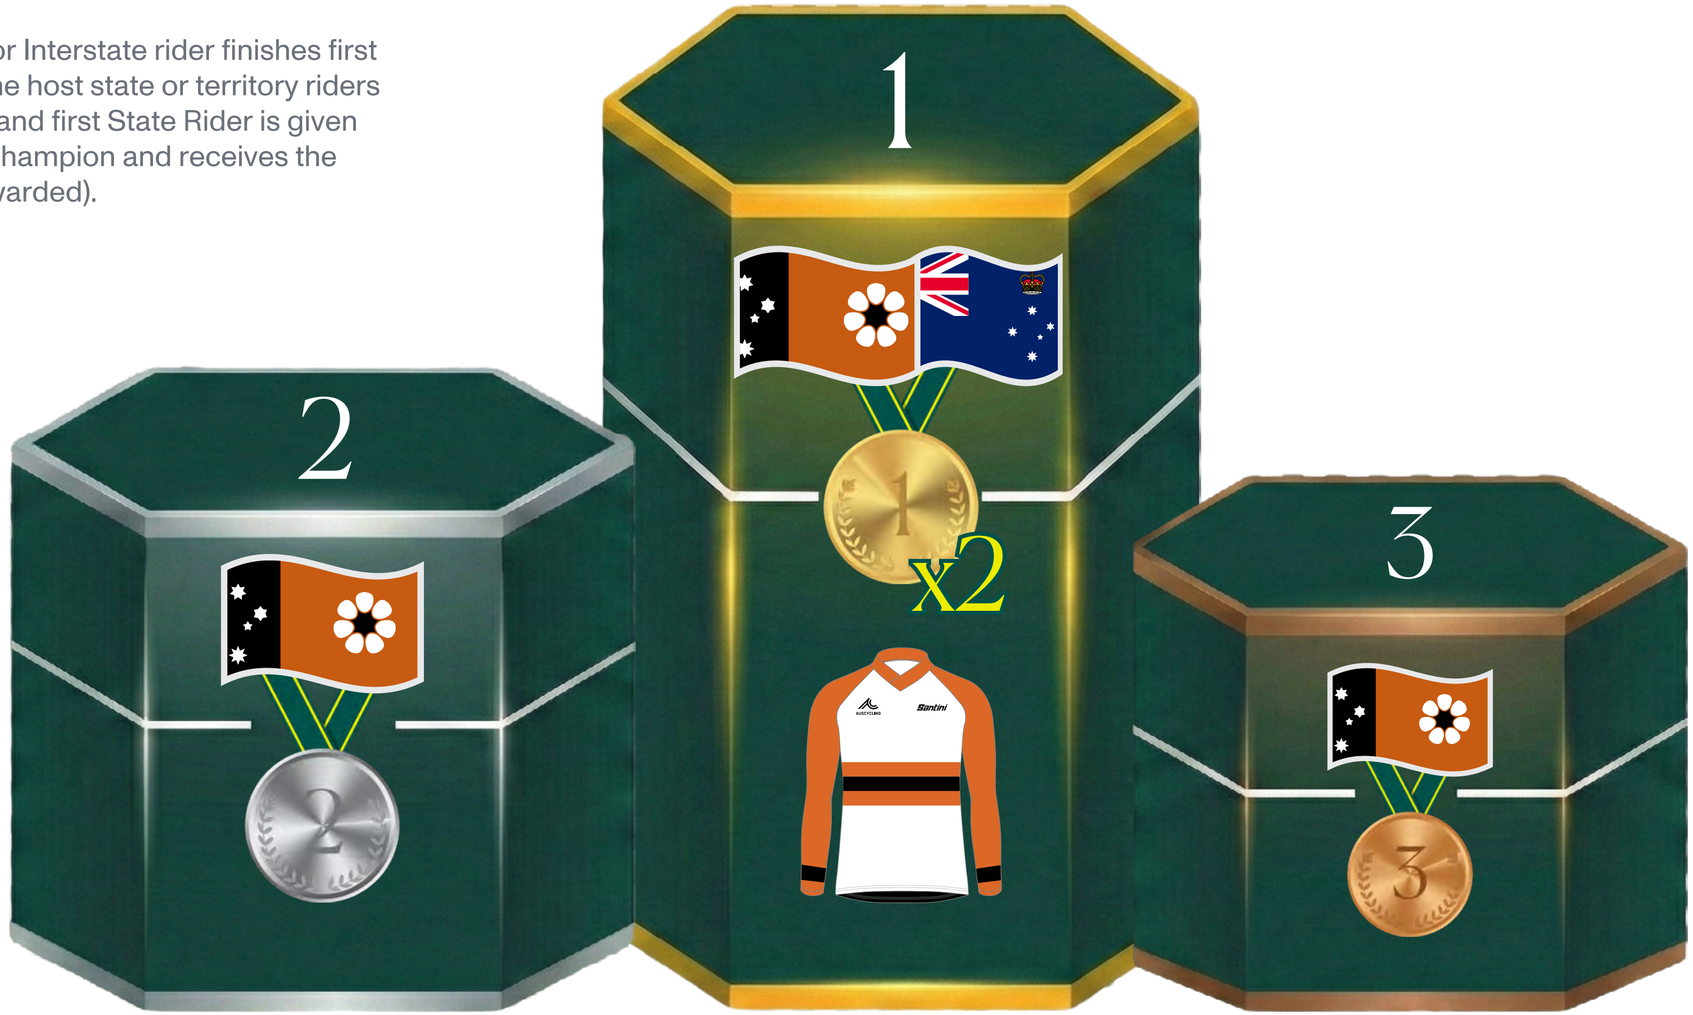

All from Host State or Territory

State and Territory Championships

In this case the International or Interstate rider finishes first they receive a gold medal. The host state or territory riders receive their medals in order and first State Rider is given the title of State or Territory Champion and receives the State or Territory Jersey (if awarded).

International or Interstate Visitor Placed First

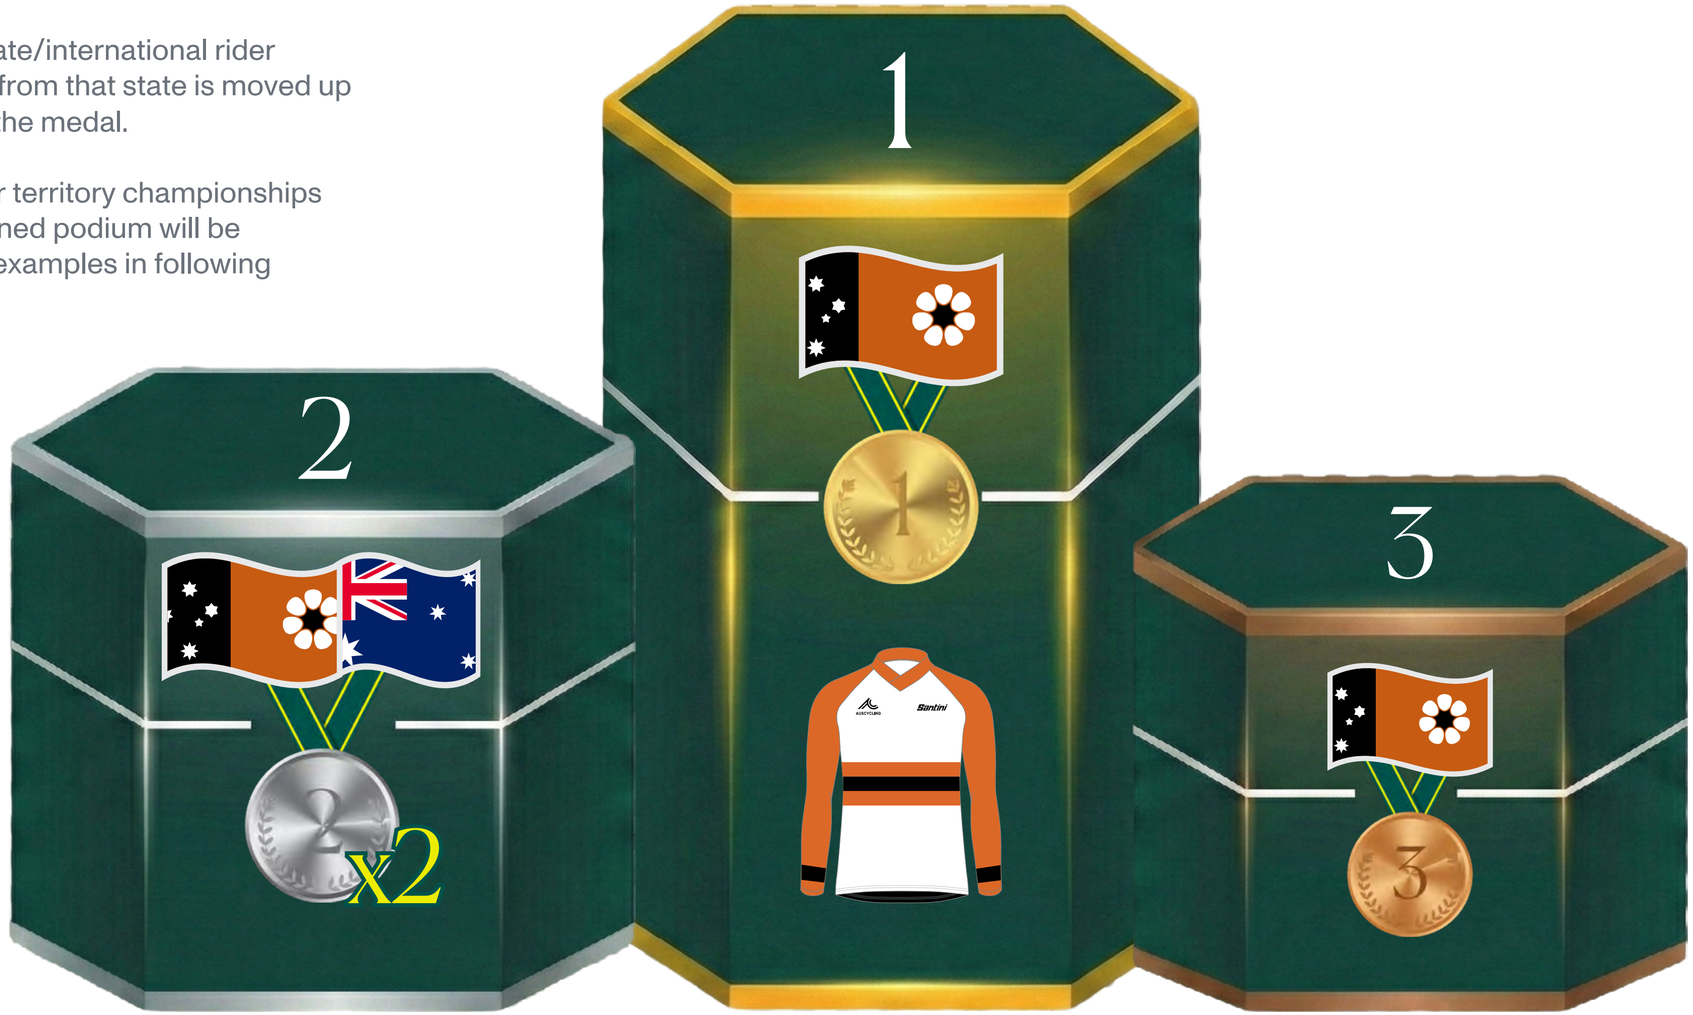

State and Territory Championships

In the case where one interstate/international rider finishes in the top 3, the rider from that state is moved up and both riders are awarded the medal.

In the case where two state or territory championships are combined only the combined podium will be awarded. This applies for all examples in following pages.

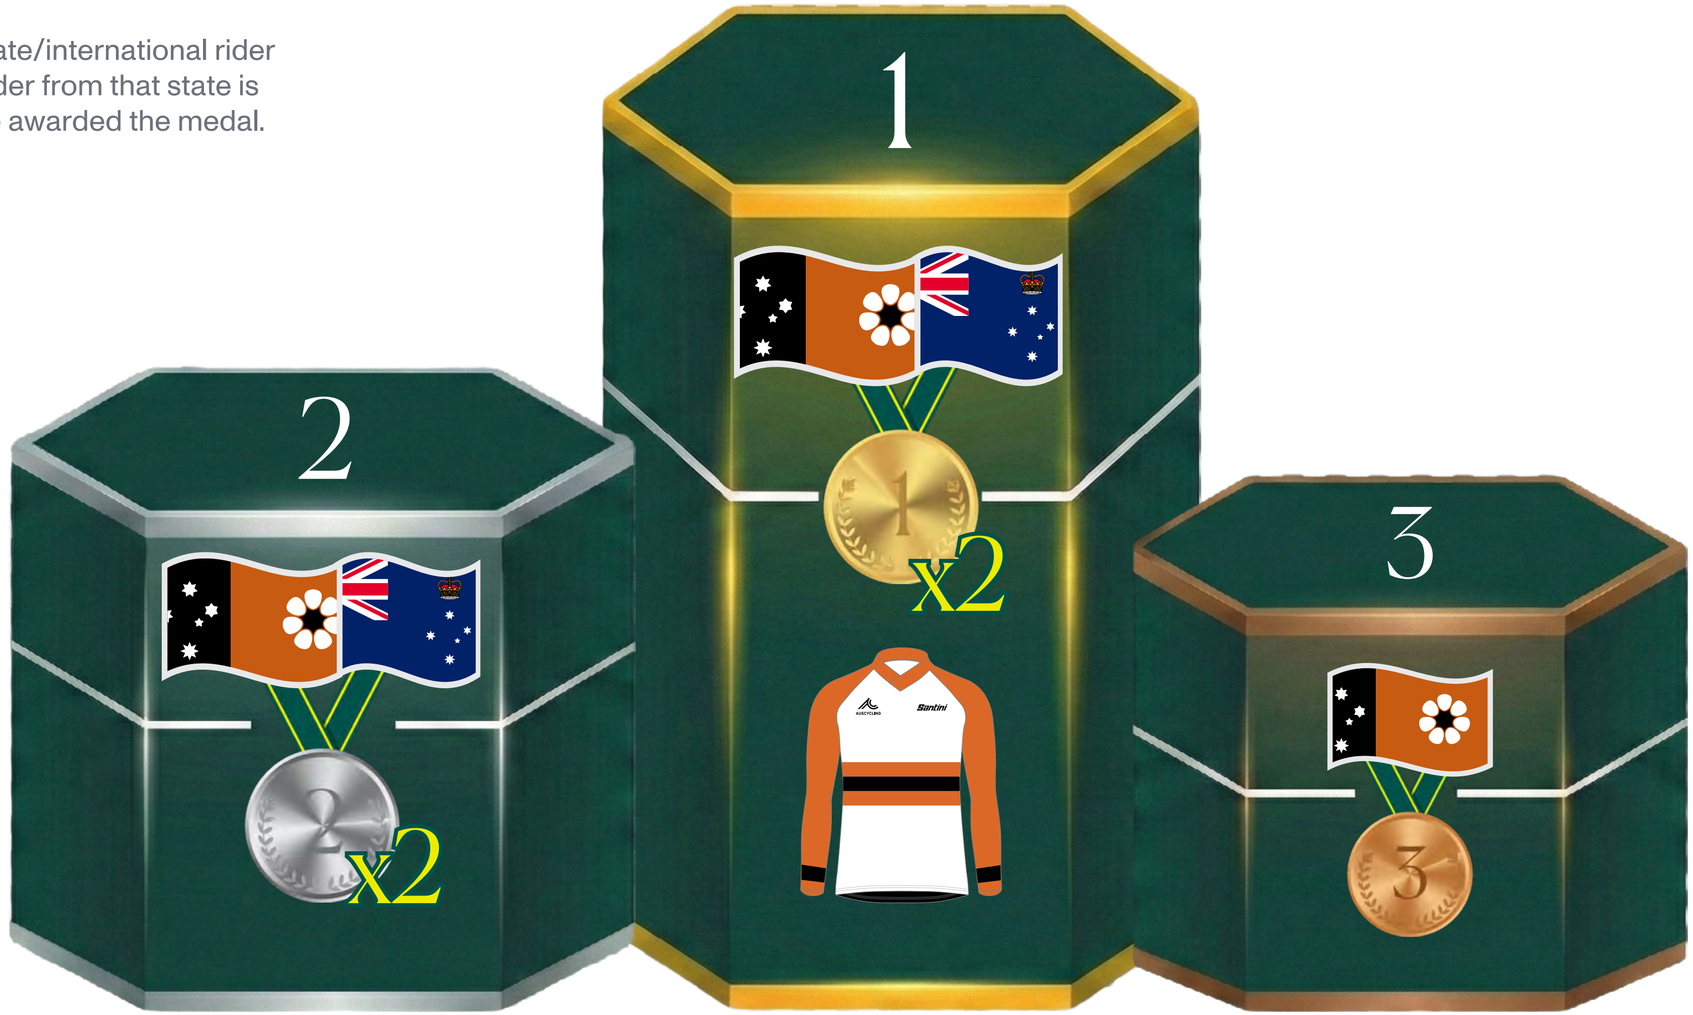

International/Interstate Visitor Placed

State and Territory Championships

In the case where one interstate/international rider finishes on the podium, the rider from that state is moved up and both riders are awarded the medal.

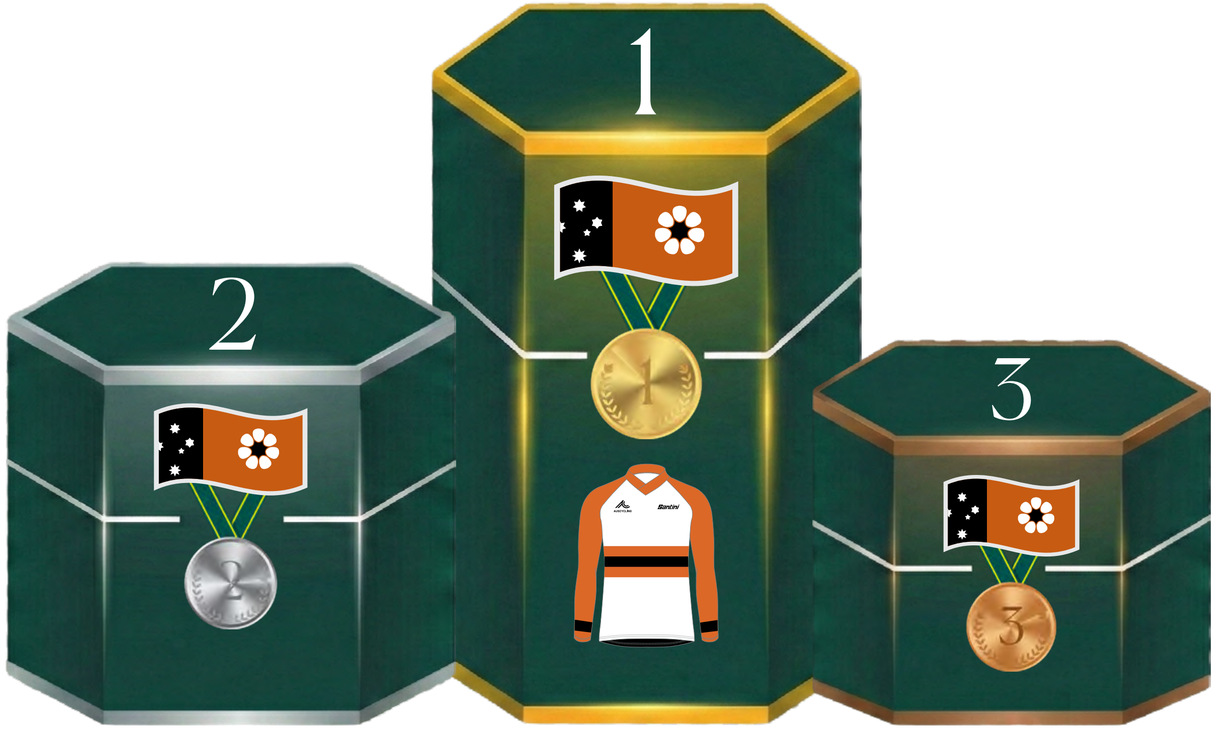

International Visitors 2 Podiums Places

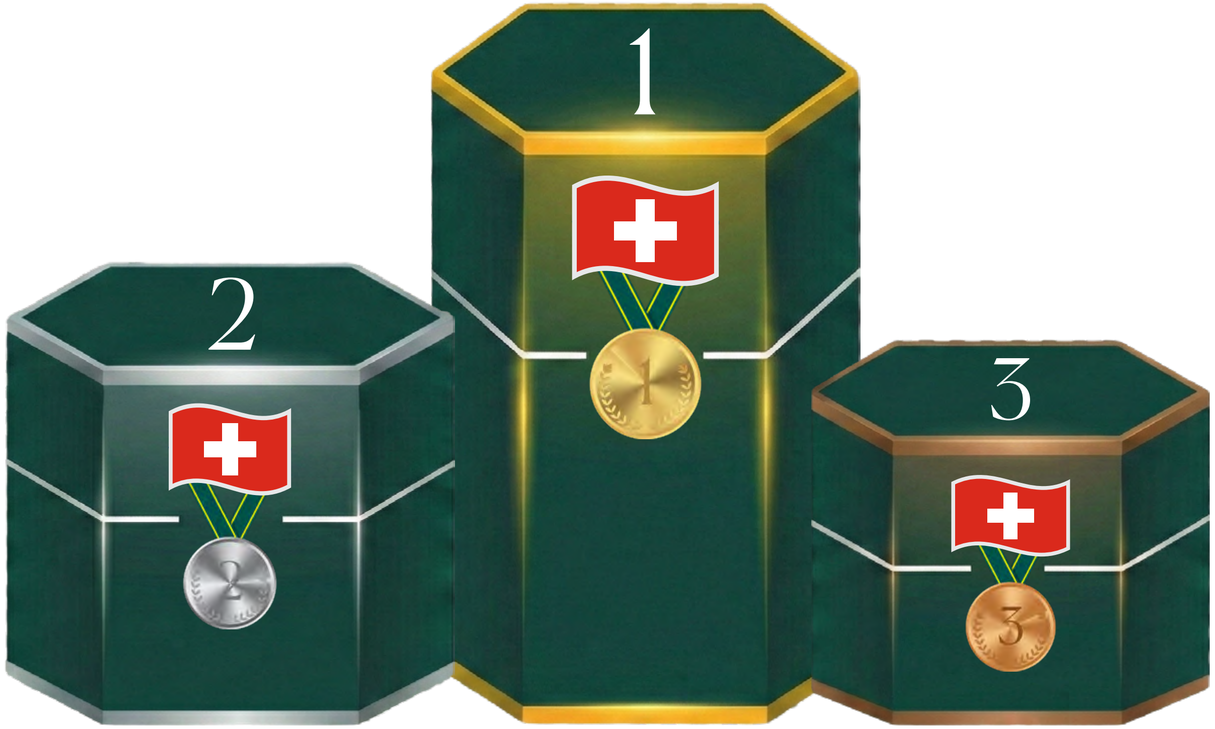

State and Territory Championships

International or Interstate Visitors
3 or more podium places

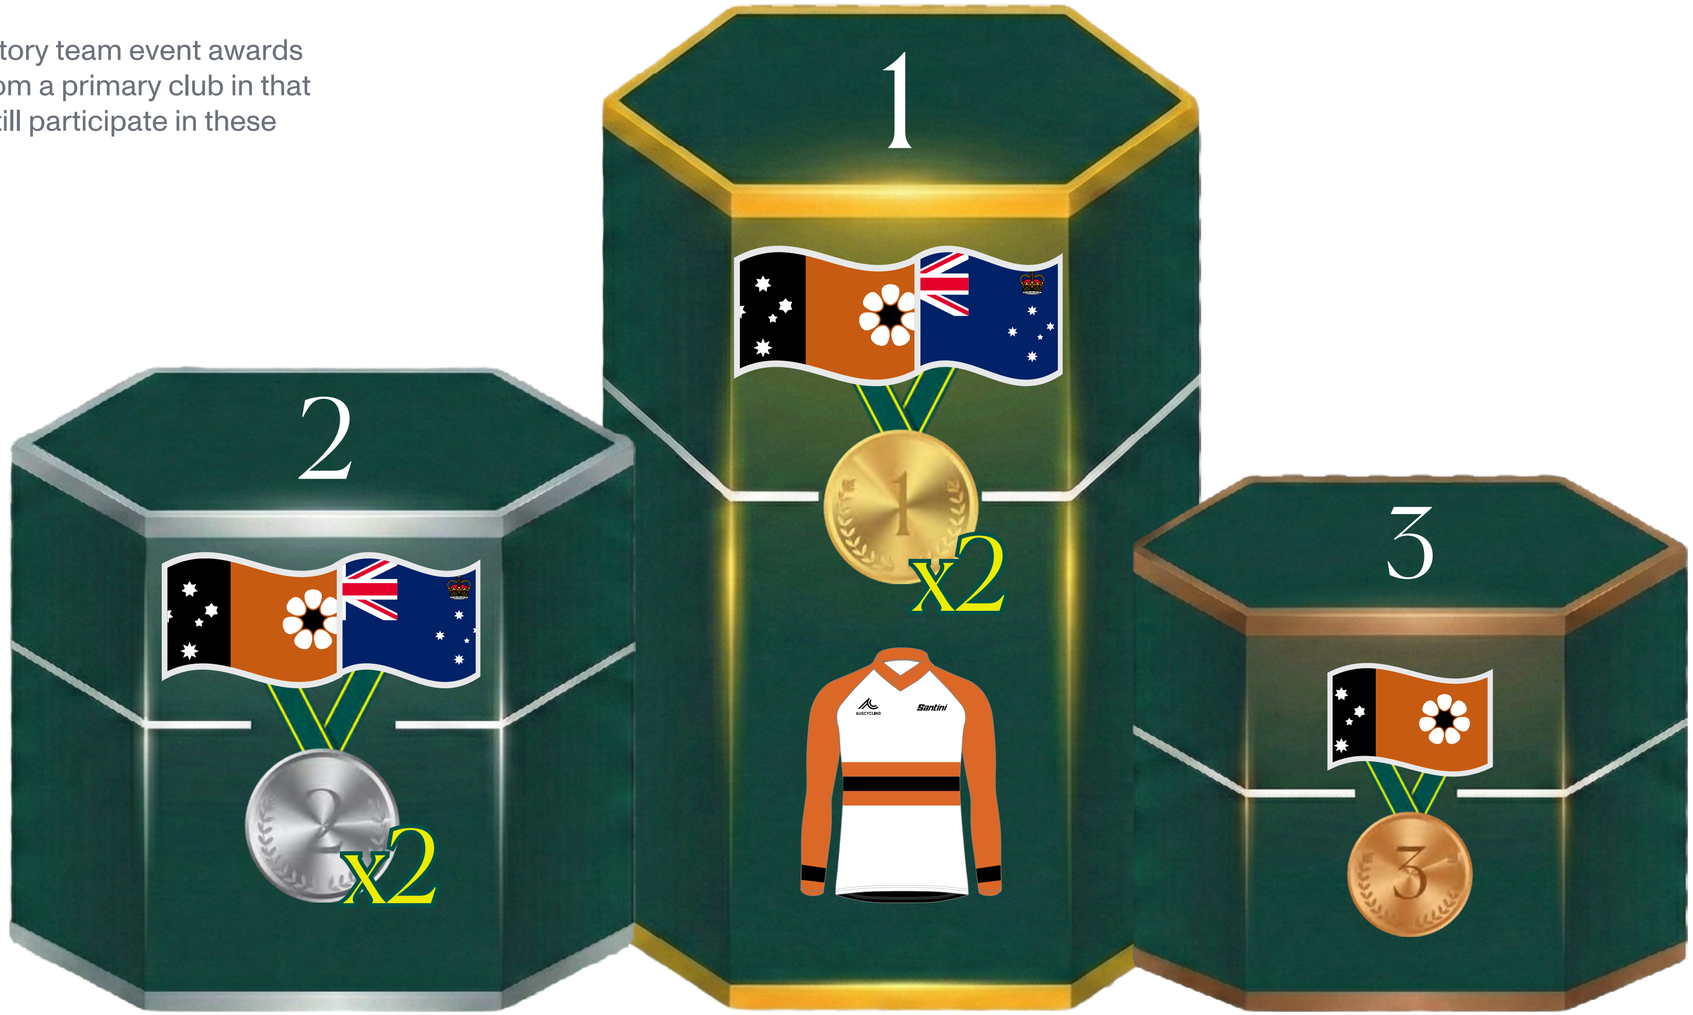

In the case where interstate / international riders place first, second and third, all riders will receive medals in order of finishing; first three international/interstate and first three from the State/Territory. The State or Territory Champions will be the first rider from that State / Territory and will receive the State or Territory Champion jersey (if awarded).

State and Territory Championships

To be eligible for state or territory team event awards and medals riders must be from a primary club in that state or territory. They may still participate in these events.
